Re: Jerry Boyarsky

To Whom It May Concern,

I have known Jerry for several years and have had broad based professional dealings with him in various aspects of commercial real estate investment.

Jerry has a tremendous level of knowledge and expertise in the northern New Jersey commercial real estate markets and I have always found him to be responsive and willing to provide excellent advise and top quality service. In short, Jerry is a real professional.

If you are looking to buy, sell or lease a commercial building, I would highly recommend LB Commercial.

Sincerely,
